DEDICATION

It is with great pleasure that the annual staff of 1959 dedicates this edition of the Golden Reveries to Mrs. Nellie McDaniel.

Mrs. McDaniel has been a long time friend of every student who has attended I.H.S. We especially remember her smiling face as she greets us in the cafeteria each day. Even though hers is a busy day, she takes time off to offer a friendly word of greeting, a bit of kind advice, or just a good thought for the day.

Mrs. McDaniel will always be a part of our pleasant memories of Imbler High.

OUR SCHOOL

ALMA MATER

Far below our great Blue Mountains
'Neath their heights so true
Stands our noble Alma Mater
Glorious to view.

Lift the chorus,
Speed it onward,
Loud her praises cry.

Hail to thee our Alma Mater,
Hail to Imbler High.

SENIOR PROPHECY

'Tis the year 1959. A few of us are gathered at Joe Westenskows' Club, (he is the great magician), to gaze into his crystal ball. This night is of special interest to us as the ball will reveal the innermost secrets of 1959 graduating class of Imbler High School.

We see:

The communities of Summerville and Imbler gathered at the U. P. station to welcome home the famous weight lifting queen, former Rosilee Turk and her husband Pat. They plan to put on several exhibitions at their tent show on the mid-way between Summerville and Imbler.

LATEST NEWS FLASH Mick Dougherty has just taken over the management of Bertha's Attentation Shop in La Grande. On his recent trip to New York, he brought back many of those "little feminine things" which he is anxious to show the ladies of the Grande Ronde Valley.

Gene is a very popular head master of the Arthur Murry Dance Studio in Imbler. Gene always did have an eye for the ladies. He told us that he's having a very difficult time choosing one of his very beautiful dance pupils as the future Mrs. McLaughlin.

HUP-2-3 That's the voice of Sergeant Louise Scott as she bellows out her orders to her young recruits for the day. Sergeant Scott says this is the life for her -- even the Captain commends her on her loud and clear commands. Her suitors, though very much interested in her, are afraid of her loud bellow.

Dave Baberbeck, the newly acquired night club singer in the series of Peter Gunn -- has fallen madly in love with Liberace while playing Chop Sticks with him.

NOW HEAR THIS! The 1970 Special, the admission fee to the Janice Phillips' Fun Club has been reduced to a low low price of \$50. Janice is the newest star in the Pop Pop and Doo Doo Follies. This is a limited offer. For farther information contact Gene McLaughlin, who represents her interests.

Louise and her husband Kerry Newman decided to give up school teaching, and buy a huge deck ranch in Alaska. She and an her little Kerry's ride over the glaciers each morning to watch the whales at play.

Dr. Bertha Hohstadt, a veterinary of medicine, has just saved one of Louise's doggies from death of a broken heart. The doggie hated to leave its mate in the beautiful state of Oregon.

Lieutenant Commander Judy Hyatt has joined an Antarctic expedition. She is chief accountant in the dietetic division. It is her job to count the number of calories the men, dogs, cats, and other living creatures will need during their stay in the Antarctic region.

Mrs. Mel DeBoie, the former Charlotte Coffin (the new coaches wife at Troy, Oregon), tells us that it is the ideal spot for fishing and to train state championship football teams.

Charlotte Patrick, the new owner of the Danty Curl Beauty Shop, tells us that she has a thriving business in keeping all the women of Spokane beautiful.
